### Objective:

### Description:

4v4 game with 2 of the players in each team starting as keepers in diagonally opposite goals. The other two players are defectors. Keepers can shoot with the soft dodgeballs whenever they'd like. However, they need to be aware of the opponent's shooting. The defectors stand in the way of the shot and aim to deflect it slightly. The defenders have to stand outside of the keepers zone, to give them a chance. Every time a keeper concedes a goal, they swap with the nearest deflector on their side. Health and safety - no diving from the keepers.
